Program Title: *Preventing and Defending Bond Claims*

Program: Nobody likes to pay twice, unfortunately that can and has happened. General contractors (and subcontractors) are sometimes required to post payment and performance bonds for a project. Occasionally, claims are asserted against those bonds by the project owner or by lower tier subcontractors or suppliers. This webinar will provide information concerning how best to head off claims before they happen, how to respond to potential claimants and how to deal with the surety once a claim has been made.

Presenters: Brian Koerwitz and Craig Dirrim, Attorneys, Woods & Aitken LLP

Cost For Webinar: $35 for non-members—no charge for Nebraska Building Chapter AGC members—2014 Member Benefit.

Please register for the ***Webinar by end of the day on Monday, March 3, 2014***. You will receive login instructions by email prior to the event.
