American Red Cross First Aid, CPR, and AED Certification Class

This certification class is instructed by Pulse Finders. Their First Aid program is designed to help individuals recognize an emergency, and the proper treatment until EMS arrive. Topics include, but are not limited to shock, burns, strains, bleeding, diabetic emergencies, and seizures. This program meets the guidelines and national standards for first aid. This is a certification class and a card will be issued valid for 3 years.

The Basic CPR is for the community, child care, adult care facilities, or anyone interested in learning how to perform CPR. This course will give you the necessary skills to recognize and respond to an emergency. This is a certification which is valid for 2 years.

Automated External Defibrillator (AED) program will teach individuals the proper use of the AED, the advantages of using an AED, and the enhancement of resuscitative efforts before EMS arrives. AED's increase the chance of survival especially when available to the general public.
