# Nebraska Building Chapter

QUALITY PEOPLE. QUALITY PROJECTS.

# All Member Webinar

**Date:** Tuesday, December 10, 2013
**Time:** 9:00-10:00 am
**Location:** Webinar

**Program Title:** ***Textura and the Future of Invoicing and Payment***

**Program:** Technology is quickly evolving with many options available to improve your construction business processes and bottom line. As one of our Corporate Sponsors, Textura has designed this Webinar exclusively for the Nebraska Building Chapter members.

Upon completion of attending this webinar you will be able to:

- Recognize the typical savings that can be achieved by using a cloud-based payment management solution.
- Understand the challenges the construction industry faces today regarding the management of project information and communication throughout the construction lifecycle (bidding, pre-qualification, design, construction, payment, close out, etc.)
- Identify areas where technology has and will be used in the future to create efficiencies in the construction process, speed up project delivery, decrease overhead costs and help create more collaborative team environments.
- Identify specific challenges involved in the typical draw process including invoicing, compliance management, lien waiver exchange and payment.
- See exactly how Textura's Construction Payment Management™ operates to take this process online and help reduce up to 80% of the process steps involved in the invoice and payment process.

**Cost For Webinar: No Charge . . . but, please register!**
