AGC NEBRASKA CHAPTER

OSHA 10 Hour Hazard Awareness Class

This class will be a 10 hour course to meet OSHA outreach training requirements for a OSHA 10 Hour Card. OSHA now requires that this course be presented in a two day format. Topics to be covered are introduction to OSHA, electrical safety, fall protection, hand and power tools, personal protection, material handling and storage, stairways and ladders, cranes, scaffolds, excavations, hazard communication and crystalline silica. Upon successful completion of the 10 hour course you will be sent an OSHA 10 Hour Construction Card.
