

## Are You Taking Advantage of AGC's Newsletters?

AGC's newsletters provide the latest information affecting your business and deliver true membership value that you won't find anywhere else. Subscribe at [www.agc.org/subscribe](http://www.agc.org/subscribe).

### News & Views

AGC's main newsletter addresses a wide range of topics, including news from AGC's divisions, economic updates and event reminders.

### Data DIGest

A weekly summary of the latest economic news relevant to construction. Subscribe at [www.agc.org/datadigest](http://www.agc.org/datadigest).

### Environmental Observer

Provides all the news you need on construction and the environment. In one convenient source, receive information on key regulations, legislation and court decisions that affect the construction industry.

### Specialty News

Updates on Specialty Contractors Council activities and meetings, as well as important industry issues that affect daily business and the industry overall.

### The Knowledge Source

Designed for training professionals to keep their finger on the pulse of our industry with the latest news in craft, supervisory, estimating, management and executive training.

### Construction Legislative Week in Review

Each week, this publication explains all legislative issues affecting the construction industry.

### Tech Brief

Provides construction technology information, including articles on SharePoint, data protection and business management software. Subscribe at [www.agc.org/techbrief](http://www.agc.org/techbrief).

### Human Resource & Labor News

Provides succinct coverage of court cases, regulatory initiatives, union activities, AGC activities and programs and other matters affecting contractors as employers.

## AGC SmartBrief

AGC SmartBrief delivers the most important construction-related headlines each day. Subscribe at [www.smartbrief.com/agc](http://www.smartbrief.com/agc).

### Division Newsletters

#### The Pipeline

Monthly newsletter of the Municipal & Utilities Division, with a focus on legislative, regulatory and market information for municipal, drinking water, wastewater, underground and other utility construction contractors.

#### Building Material

News & Information from AGC's Building Division

This publication delivers brief, timely news and information of interest to building contractors.

#### Highway Facts Bulletin

Addresses legislative issues specific to highway contractors, and alerts members when some action needs to be taken.

#### Federal Contractor Report

Highlights business, legislative and regulatory issues affecting contractors that engage in federal construction, heavy construction and the international construction markets.
