

Construction and Demolition Waste RECYCLING TRAINING

Brought to you by:

USGBC
EDUCATION
PROVIDER
PROGRAM

Lincoln, Nebraska

February 22, 2012

8:30 a.m. - 4:30 p.m.

Omaha, Nebraska

February 23, 2012

8:30 a.m. - 4:30 p.m.

Price

\$325 for WasteCap Members

\$475 for Non-Members

\$225 for Students

Lunch included.

Join WasteCap Resource Solutions and WasteCap Nebraska for a day long training that will give you the skills to develop, manage, monitor, document and promote a successful recycling program for construction and demolition debris. Participants will receive a three year Accreditation in Construction Waste Recycling for attending this Professional Development Course. LEED AP's are eligible for 7.5 Continuing Education Units (B,D & C) through USGBC.

After taking this course you will be able to:

- Expand the services you provide to clients.
- Prepare construction waste management plans.
- Monitor recycling programs for compliance and efficiency.
- Identify markets for reuse and recycling materials.
- Document reuse and recycling results
