

NEBRASKA BUILDING CHAPTER
THE ASSOCIATED GENERAL CONTRACTORS OF AMERICA

Quality People. Quality Projects.

Central Regional Meeting

Date: Tuesday, January 31, 2012
Time: 2:00pm to 4:00pm
Location: Central Community College
3519 Second Ave, Room #143
Kearney, Nebraska

Meeting Program: *Ready Mixed Concrete...from a bird's eye view*

This presentation will cover various aspects of ready mixed concrete. Topics will include design, production, placement and maintaining quality concrete applications from exterior slabs to interior floors. This presentation will also cover troubleshooting concrete and discussing proper testing procedures utilized in the field to assist general contractors, project managers, and supervisors understand concrete. Jereme has almost 15 years experience testing, producing, and placing concrete and still considers himself a student of the industry. Don't miss this opportunity to listen and learn about a product that is typically specified on every single one of your projects. This is an excellent training program for field personnel and sub-contractors.

Program Presenter: Jereme "Bird" Montgomery, Executive Director, Nebraska Concrete & Aggregates Association

Please register for the Member Meeting by noon on Monday, January 30. Feel free to bring other people from your company or invite prospective members to attend with you!
