

Sponsor the Contractor Trade Fair

Sponsor the Contractor Trade Fair, presented by the North Omaha Development Project! You will reach a targeted audience and be recognized as an enthusiastic supporter of this important initiative.

The Fair is an opportunity for community businesses to network and learn of upcoming projects that are available through general contractors, the city, state and federal government.

Where and when? _____ Creighton University's Harper Student Center
May 14
8 a.m. - 1 p.m.
Registration and check in at 7:30 a.m.

Select a sponsorship level that meets your needs. A booth at the Fair is included in all sponsorships.

You'll have the chance to meet one-on-one with existing and new companies in the area whose names have not yet appeared on the certification rolls. Many of these minority- and woman-owned contractors, vendors and suppliers have substantial capacities to help your company reach its overall objectives.

Participants with a booth presence will provide listings of opportunities for subcontractors to discuss and potentially bid on. The bid opportunities will be submitted to the event coordinator prior to the event and copies will be distributed the day of the event.

Advertising for the event will include local radio and television spots along with mailings to approximately 2,000 minority- and woman-owned construction firms, vendors and suppliers that provide goods or services in Greater Omaha.

Sponsorship opportunities _____ **Gold Sponsorship** – \$2,500
