Lincoln/Omaha Member Meeting

Holiday Breakfast Meeting

Date: Thursday, December 17th, 2009
Time: 7:30 am
Location: Quarry Oaks Club House
16600 Quarry Oaks Dr., Ashland, NE

Topic for Meeting:

Equipment Procurement, Cost Recovery and the Bottom Line

Many contractors believe that equipment is an indirect cost and that it is essentially free once it has been acquired. However, there are costs of depreciating and maintaining equipment that are incurred long after the purchase. From owners, to the project managers, to the accounting department, it is the responsibility of everyone to make certain that costs are appropriately accounted for and presented in the results from operations. Lutz and Company, P.C. will present techniques and ideas to help ensure that your equipment costs are properly reflected and allocated from the date of purchase and throughout the life of the equipment.

This program is designed for owners, project managers and accounting staff.

Presenters: Mark Duren, CPA and Principle; Josh Weiss, CPA Lutz & Company P.C.

Please RSVP by Tuesday, December 15th. Feel free to invite people from your company or prospective members to attend with you!

It's the Holidays! Breakfast will be hosted by the Diamond & Platinum Sponsors!
