

**Forum Date:** Tuesday, March 24th, 2009

**Time:** 5:30 - 7:30 p.m.

**Location:** Nebraska Chapter of the National Electrical Contractors Association (NECA)  
8960 L St., Omaha, NE  
Third Floor Meeting Room 306

**Refreshments will be provided**

**TOPIC:** **The Big Picture of Construction:  
Insights into the Future of Commercial Construction**

Once again, this month's forum will feature a panel of construction leaders to address this topic. The panel will feature two leaders from AGC member firms, two leaders from MCA's member firms and a leader from a NECA member firm. The panel group members will share their insights and opinions on the following topics:

- Current issues and challenges facing the industry as a whole
- Future trends that will impact the industry in the next 7-10 years
- Biggest challenge you have faced in your career and/or construction business and what you learned from it
- How to define a "professional" in the construction industry
- "Best piece of career advice" to offer

There is **never** a participation fee
