National website: www.mcaa.org

WHAT IS IMPORTANT RIGHT NOW:

1. **If you have info you want to share with the other chapters** send it to me and we will put it in the student section of website and/or email it to student officers.
2. **November issue of Building Chapter News will feature the Student Chapters.** You will need to send 1 or 2 pictures and a report on your chapter activities to the members by 10-5-07 to my email address. We have a picture of each officer team taken at the officer training so select other pictures of activities or members to include.
3. **AGCA Scholarships are due on November 1, 2007.** UNO/UNL members are eligible for the national AGCA scholarships. I have copies of the material, so let me know if you need it sent to you. The applications for the (6) \$700-1000 NE Building Chapter Scholarships will be sent to the chapter advisors and presidents early in January, 2008. The RFP for the Education Grants will be sent at that time also.
4. **Chapter Events:**
 - October 2, 2007, Durham School Career Fair at UNO
 - February 7, 2008, Emerging Construction Professionals Forum (ECPF) will feature a program by Tom Sweeney on BIM (Building Information Modeling). Interested student chapter members will be invited to this event.
 - In early January the officers will meet to plan a spring event
5. **For those of you graduating this year:** The Emerging Construction Professionals Forum will be your next step in the AGC organization. If you are working for an AGC or MCA member in the area, you are invited to take part in this professional development forum. The meetings are in Omaha and meet monthly between September and April. More information is available on our website under the ECPF tab.
