ACCIDENT CAUSATION THEORY *with Steve Polich*

Steve Polich, Steve started his safety career at the National Safety Council, Nebraska Chapter in 1999 as a safety consultant and instructor. He eventually transitioned to the insurance industry where he continued to work as a loss control safety consultant for the past 14 years, most recently at Lockton in Omaha.

In January of this year, he stepped away from the insurance industry to focus his attention on his start-up company called Safety-Reports.com. Safety-Reports offers a mobile solution that helps businesses manage their safety inspection needs.

Steve is a Certified Safety Professional, OSHA Authorized Instructor and an active member of the ASSE Great Plains Chapter.

CONTRACT REVIEW/ADDITIONAL INSURED *with Jack Struyk*

Jack Struyk, Jack leads Lockton's Omaha location as President of Nebraska operations. He is a proven leader in the insurance industry, having held leadership positions with large operations prior to joining Lockton. Jack is an Omaha native and is active in the community.

He has brokered insurance programs for large employers throughout the country for the last 25 years, in construction, healthcare, manufacturing, real estate and retail. He places over \$50,000,000 in premium annually.
