2014 Joint Golf Outing

National Association of Women In Construction

&

Construction Financial Management Association

Tuesday, August 26, 2014
Indian Creek Golf Course
3825 North 202nd Street
11:00 Shotgun Start

All monies raised will benefit the Scholarship Programs for both Organizations. The National Association of Women In Construction award scholarships to those in trades and those attending a university in a Construction Management Program. Construction Financial Management Association scholarships benefit to member business professionals and students, awarded to employees or family members who are majoring in Accounting or Construction / Engineering and meet set criteria.
