

2019

Quality People  
Awards

**And the Winners are . . .**

# 2019 Groundbreaker Award

**Sara Cantu Williams, Kiewit Building Group**

*The **Groundbreaker Award** recognizes someone with five or less years of experience that demonstrates innovation, is a trend setter and a developing leader.*

# 2019 Mentor Award

**Jeremy Langer, Kiewit Building Group**

*The **Mentor Award** recognizes a front-line manager that supports the professional growth of other employees and inspires everyone to reach their full potential.*

# 2019 Innovator Award

**Sara Hansen, Turner Construction Company**

*The **Innovator Award** honors those that contribute innovation, creativity, skills and integrity to projects consistently, along with being a good role model and promotor of construction careers.*

# 2019 Community Supporter Award

**Scott Fitzgerald, General Excavating**

*The **Community Support Award** recognizes a member that uses their talents and leadership in and out of their workplace to support, promote and move the industry forward.*

# 2019 Quality People Awards

**This program is designed by the Nebraska Building Chapter's Board of Directors to celebrate and recognize the achievements of individuals who "go above and beyond" in their communities, profession or company.**
