	Bill No.	Introducer		One Liner	Summary	Committee	Status		
					licensing board to license experienced workers from outside of]			
					Nebraska. Recognition is based on current licensure (plus 1				
		1			year of experience); comparable Military Occupational				
					Specialties (MOS); or (if the current state offers no license for				
					the occupations), three years of documented work experience				
					in the area for which Nebraska issues a license. If Nebraska				
1		1	1		requires a jurisprudential exam for licensure, that may be				
ľ					required prior to recognition for licensure. 2- Second Chances.				
					This bill would require licensing boards/statutes to specify				
İ		ľ			offenses that would exclude someone with a criminal record				
		İ			from being licensed, making licensure a "direct and substantial				İ
	i	1			risk to public safety." This section of the bill would build on the				
					requirement found in LB299 (2018), which required that those				
					with criminal records could petition for a pre-determination of			}	
					eligibility for licensure (before education, testing, etc.). 3-				
		1			Changes to the State Electrical Board statutes. Because of the			}	
		1			nature of the Electrical Board Act, modifying the composition of				
					the Board membership, but also inserting key applicable				
					elements of Universal Recognition and Second Chances into the				
				Require occupational boards to issue	Electrical Board Act. EXCLUDED FROM LB16 Because of either		İ	i	i
