

AGC Members Save 15% on CrisisDriver

Nebraska Building Chapter AGC is excited to announce a new partnership with [CrisisDriver](#), and 15% member-only discount off CrisisDriver's industry-leading incident response and crisis communications solution.

CrisisDriver offers organizations a comprehensive and customized solution for managing all types of incidents. With this tool, you'll be equipped to properly manage a crisis from beginning to the end while communicating clearly throughout the process. CrisisDriver combines a web-based command center and iOS/Android mobile app that enables contractors to build project-specific response and crisis communications plans to instantly notify key stakeholders in the event of an incident, and provides step-by-step action plans right in the hands of the incident response team and other key company decision makers through the mobile app.

CrisisDriver is a proven incident response solution that is already in use in more than 17 countries around the world, and by several commercial, heavy highway and civil contractors. Through this exclusive AGC program, **members will receive a 15% discount** off the base subscription to the CrisisDriver service, as well as add-on service modules.
