

2022

Quality People Awards

And the Winners are . . .

2022 Groundbreaker Award

Lauren Givins,
Kiewit Building Group

The **Groundbreaker Award** recognizes someone with five or less years of experience that demonstrates innovation, is a trend setter and a developing leader.

2022 Mentor Award

Jerry Kabourek,
General Excavating

The **Mentor Award** recognizes a front-line manager that supports the professional growth of other employees and inspires everyone to reach their full potential.

2022 Innovator Award

Jon Babovec,
Kiewit Building Group Inc

The **Innovator Award** honors those that contribute innovation, creativity, skills and integrity to projects consistently, along with being a good role model and promotor of construction careers.

2022 Community Supporter Award

Linette Butler,
BD Construction, Inc./Kearney

The **Community Support Award** recognizes a member that uses their talents and leadership in and out of their workplace to support, promote and move the industry forward.

2022 Quality People Awards

This program is designed by the Nebraska Building Chapter's Board of Directors to celebrate and recognize the achievements of individuals who “go above and beyond” in their communities, profession or company.
